Bluebell Coppice Park

Meter Reading	Current rate charged - p/KWH

Notes

Information For Your Stay

Black Water Disposal - For discharging chemical toilet waste, the Elsan unit is located past pitch 43.

Books, Games, DVDs - These are available in the coffee/honesty shop, and you are welcome to borrow them during your stay. If you get halfway through a book and desperately want to finish it, it's fine to take it with you.

Check Out - Please vacate by 11 am.

Dogs - Please tether dogs when on your pitch and walk them on a lead on site. The woodland is an off-lead area. Please ensure you pick up poo and, where possible, try to encourage them to poo away from pitches and the play area. Poo bins are located by reception and close to the woodland walk entrance.

Electric - All electric hookups are intended for camping use and demand should not exceed 10amps otherwise your supply will trip. Please only use camping kettles and heaters; domestic versions are not permitted. Please call if your supply is interrupted.

Electricity will be charged for EHU Caravan/Motorhome and Campervan pitches and Tent Pitches at the current rate quoted on the time of arrival and shown here.

The meter reading before your arrival will be detailed above. Please read the meter and make note of the updated usage before checking out at reception.

Etiquette - To ensure everyone enjoys their holiday, please preserve pitch boundaries by using paths and ensure your children's games are not bothering other campers.
Please do not use drones, fireworks, Chinese lanterns, and generators.

Fires and BBQs - Firepits and BBQs are allowed; please ensure they are raised. We have firepits for hire at reception if you don't have your own.

Fishing - You are welcome to enjoy our lake free of charge on a catch and release basis.

Gate Code - When the gate is closed, the code is 1066.

Grey Water - We have a drive-over grid for motor homes by reception and a drain in front of pitch 41.

Ice Blocks and Ice
There is a freezer located on the deck infront of the coffee shop for freezing ice blocks. If you need ice, this is for sale in the coffee / honesty shop.

Laundry Machines - We have a coin-operated commercial washing machine (detergent & conditioner inc) and a dryer at the back of the coffee shop.

Microwave - In the coffee shop, there is a microwave which is free to use.

Noise - We do not allow amplified music at any time; please respect your neighbours.
Between 10 pm and 8 am noise should be kept to a minimum. Note that children should not be on the play park between 10 pm and 8 am.

Reception & Assistance - Reception is open from 10 am until 4 pm. When we are awaiting guests, we will remain open. If reception is closed and you need assistance, please call the park number; someone is available until 10 pm. The phone is monitored after 10 pm for emergencies only. Please respect our privacy and sleep if it is a matter that can wait until the morning.

Rubbish and Cinder Bins - These are located on your way out of the park just before reception.

Shops - Our honesty/coffee shop, located where the toilets and showers are, is open 24 hours a day. We close the door at night but don't lock it. Please help yourself to whatever you want and write down what you have taken on the clipboard. We put this on your bill and you pay when you leave.

Supervision - The woodlands, lake area, and playpark offer adventure for everyone but please exercise caution and proper supervision.

Visitors - Visitors are welcome until 10 pm. There is a £2.50 charge for any guest 3 years and older. Maximum 4 visitors per pitch. Please ensure all visitors check-in at reception.

Washing Up sinks - Washing up sinks at the rear of the Coffee Shop and one in front of Pitch 15.

Water - Taps are located by pitches 34, 43, and 45. Each private bathroom pitch has a water supply.

Free Wifi - We are a remote rural campsite, so our wifi is limited but available free of charge. Network Name: **BCP GUEST** code is: **Battle 1066**

Paid Wifi - Supplied by outside contractor, please see leaflet.
