Evesham & Surrounding Areas

Long Acres Park is in an ideal central location... perfect for visiting the many places of interest and tourist attractions. Only 5 minutes from the park is the historic river side town of Evesham, where you will find many shops and restaurants.

Evesham is situated in the centre of the famous horticultural Vale of Evesham - and is well known for its fruit and vegetable growing (especially asparagus) since medieval times.

Evesham's medieval history is in evidence everywhere with its many black and white timber faced buildings. Take time to visit The Bell Tower overlooking the river Avon and dating back to the 16th century and The Heritage Centre at The Almonry which dates back even further to the 14th century.

This is a great little site on the outskirts of Evesham. It is an ideal base for exploring the Cotswolds and surrounding areas.

Worcester, Gloucester, Stratford upon Avon and Cheltenham are all nearby offering a wide range of places to visit and explore.

The scenery is amazing, the plots are well spaced out and the grounds are kept to a very high standard.
