Grass Pitches

Welcome to Park Farm Campsite (established 48 years ago), part of our working family farm in this Area of Outstanding Natural Beauty.

Our onsite shop sells a variety of delicious hot and cold food and drinks and hopes to stock all of those things that you might have forgotten to bring! Marcia and Allen provide a friendly welcome with sweets, ice creams and slushies to enjoy! Opening hours can be found on our website and displayed at the shop.

Why not enjoy your surroundings and make the most of the various walks around the farm and footpaths including the riverside walk to Bodiam Castle, The Castle Inn Pub and the KESR steam railway station.

The nearest town is Hawkhurst, 3 miles away, out of the campsite and right at the traffic lights), where you will find two supermarkets, a number of pubs and a variety of takeaways.

Camber Sands beach and the historic towns of Rye, Hastings and Battle are all within a 30 minute drive.

Important information please read.

If you have not booked an electric pitch, please do not pitch in front, behind or in between the white lines or numbered areas. (You will be asked to move).

The Campsite gate closes at 11pm and reopens at 7am. No vehicle movement is permitted between these times. If you need to leave before 7am please leave your vehicle in the carpark.

Logs and kindling can be purchased from the 'logmen' in the late afternoon and early evening as they drive round the site with a trailer. We also keep a supply in the Log Store opposite the kiosk.

Secure individual mobile phone charging stations are located in the Log Store (£1 an hour). We are also happy to freeze your icepacks for free at the Log Store. Drop off between 10am-2pm and collection 6-8pm.

Dogs must be kept on leads at all times within the Campsite, please clear up after them.

Music must be switched off at 11pm and noise kept to a minimum. Please respect other campers.

Water balloons, fire lanterns, fireworks and generators are not allowed.

Please dispose of rubbish in the big red bins on the side of the barn, and don't leave it in the fields. We have glass recycling facilities.

The facilities are cleaned throughout the day by Bill and Cindy, who do a great job! If you have any concerns please let us know.

There is a strict 5MPH speed limit throughout the site. In the interest of everyone's safety we insist that you adhere to this.

Park Farm cannot be held responsible for any personal injury, loss or damage to personal property, including vehicles.

Our amazing site Warden, Jacky and Brian are located in the static caravan or the Gate Kiosk. Their phone number is 01580 831982 and they will be happy to help with any queries you may have.

We hope that you enjoy your stay!
